

*Progression on wins.* Progression from each class will be determined by the eligibility for the class as referenced in Regulations G(A). To count for progression wins must be gained in standard classes at Kennel Club licensed Open, Premier or Championship Obedience shows. A first place will count towards progression.

*Progression on points.* At the handler's discretion a dog may progress up to the next class, up to and including into Open Class C by gaining points at each level, using the Obedience Excellent scale of points scheme as follows:

- Ten points for first prize
- Four points for second prize
- Two points for third prize
- One point for fourth prize

If this method of progression is selected, the handler must ensure the show secretary/chief steward signs the dog's Obedience Record Book at the first show entered in the higher class. There is no time limit on this progression, however, once a dog or handler has progressed, they cannot return to the class that they had progressed from. All wins and places to fourth since 1 January 2019 can be included when calculating points. Points are specific to a particular class and cannot be used against a lower or higher class.

Points required for progression on points are as follows:

1. 20 points required for progression from Pre-Beginners.
2. 20 points required for progression from Beginners.
3. 20 points required for progression from Novice.
4. 30 points required for progression from Class A.
5. 30 points required for progression from Class B
